## NOTICE OF PUBLIC HEARING

### **Proposed Amendments to the 2014 Major Thoroughfare and Freeway Plan (MTFP)**

The City of Houston Planning Commission will hold a **public hearing on Thursday, July 16, 2015 at 2:30 p.m. in the City Hall Annex Building, Council Chambers, Public Level, 900 Bagby Street, Houston, Texas, 77002.** The purpose of the Public Hearing is to allow interested citizens to be heard concerning proposed changes to the 2014 Major Thoroughfare and Freeway Plan (MTFP). The MTFP identifies right-of-way needs and proposes roadway alignments within the city limits of Houston and its Extraterritorial Jurisdiction (ETJ). The MTFP does not initiate the timing of right-of-way acquisition or construction activities related to the roadways.

Information on each proposed amendment will be available for public review at an **open house to be held on Thursday, June 25, 2015 from 5:30 p.m. to 7:30 p.m. at the United Way Community Resource Center, 50 Waugh Drive, Houston, Texas, 77007.** The applicants and Planning and Development Department (P&D) personnel will be available at the open house to answer questions.

This notification letter has been mailed to property owners and registered civic associations adjacent to roadways included the amendment request. Included in this notification package is information about the specific amendment which may be of potential interest to the respective property owner and provides answers to some frequently asked questions.

In addition to comments made at the Public Hearing, **comments submitted by July 3, 2015, using the online comment form** available on the website listed below, will be taken into account by the Planning Commission before making a decision on amendment requests. Additionally, the Commission will weigh information provided by P&D and other government transportation agencies in the Houston region. Four weeks after the public hearing, on August 13, 2015, staff will present recommendations to the Planning Commission. The Planning Commission will vote on each amendment and forward its recommendations to City Council by September 1, 2015. Once an ordinance for the amendments has been adopted by City Council, a new MTFP will be published by the City. More information about the MTFP and proposed amendments are available on the Major Thoroughfare and Freeway webpage at [www.houstonplanning.com](http://www.houstonplanning.com). The information can be found by selecting "2015 MTFP Amendment Requests" link under "Announcements" at the bottom of the page. You may contact the Planning & Development Department at 832-393-6600 or email [amar.mohite@houstontx.gov](mailto:amar.mohite@houstontx.gov).

Costello David W. Robinson Michael Kubosh C.O. "Brad" Bradford Jack Christie Controller: Ronald C. Green

## 2015 Major Thoroughfare and Freeway Plan (MTFP) Amendments

### Frequently Asked Questions

**Q What is a Major Thoroughfare and Freeway Plan (MTFP) Amendment?**

**A** The City of Houston's MTFP was first adopted by City Council in 1942. It is a long range plan that provides for a system of thoroughfares and collectors to support overall mobility. It does not deal with timing of right-of-way acquisition or road construction. The Plan is updated through an annual amendment process. Amendments generally delete, add or modify a portion of a planned Thoroughfare or Collector. Streets such as Hillcroft Avenue, Kirby Drive, and FM 2100 are examples of planned Major Thoroughfares that have matured over the years. The Plan will continue to be modified in order to meet Houston's growing transportation needs.

**Q What is an alternative?**

**A** When the City receives an application to amend the MTFP, staff evaluates the proposed request and studies the adjoining area's major roadway network. The Planning Department (P&D) may identify and evaluate other options in the area, other than the one submitted by the applicant. Such options will be presented as alternatives at the Open House so that all interested parties are aware of options being considered by P&D and Planning Commission.

**Q I received a letter from the City. Why? What does this have to do with me?**

**A** If you have received a notice in the mail from the City, it means that our records show you own property that may be impacted by a proposed amendment to the MTFP. Please read the enclosed report to learn more about the proposed amendment that may specifically impact you and your property.

**Q My property is located in the County, not within the City limits. Why is the City dealing with issues in the County?**

**A** The MTFP covers not just the major road network within the City limits, but also within the City's Extra Territorial Jurisdiction (ETJ). This allows transportation needs to be addressed on a regional basis.

**Q I am concerned about a proposed amendment. What can I do?**

**A** First, you can find out more about the amendment request in the following ways:

- Read the report that was included in the mail out; see other helpful links on our website (*see below*)
- Go on-line to review the application and letter of justification submitted by the applicant:  
↳ [www.houstonplanning.com](http://www.houstonplanning.com)– click 2015 MTFP Amendment Requests under Announcements
- Attend the public **Open House** to meet with the applicant, talk to City staff & fill out a comment form:  
↳ Thurs. June 25, 5:30-7:30 p.m., United Way Community Resource Center, 50 Waugh Drive, Houston, Texas, 77007 (*see map on reverse*)
- Contact the Planning Department staff and/or the applicant

Then, if you would like to make your concerns known to the City you can:

- Write an email, letter or fax to the City expressing your concerns
- Attend the **Public Hearing** and speak directly to the Planning Commission  
↳ Thurs. July 16, 2:30 p.m., City Hall Annex Council Chambers, 900 Bagby, Houston, 77002 (*see map on reverse*)

**Q What is going to happen at the public Open House on June 25? (*see map on reverse*)**

**A** There will be map displays and information about each amendment request. You can walk around and view the information and learn more about the amendment requests that are of interest to you. You will also be able to have one-on-one conversation with the applicants and P&D staff. Also, you can learn more about what will happen at the public hearing and how you can best express your concerns to the Planning Commission.

**Q What is going to happen at the Public Hearing on July 31? (*see map on reverse*)**

**A** The Planning Commission holds a Public Hearing to provide an opportunity for concerned citizens to make their views known publicly. Comments submitted by July 3, using the online comment form on the website (refer to instructions above to locate the link on the website), will also be taken into account by the Planning Commission in making a decision on amendment requests. Additionally, the Commission will weigh information provided by the P&D staff and other government agencies concerned about transportation in our region.

**Q Who decides what to do?**

**A** Four weeks after the Public Hearing, P&D will present its recommendations to the Planning Commission. The Planning Commission will vote on each amendment and forward its recommendations to City Council by September 1, 2015. Once an ordinance for the amendments has been adopted by City Council, a new MTFP will be published by the City and made available as a reference to other agencies and the public throughout the year.

# PRELIMINARY REPORT

## 2015: E6 – *Barker Cypress Road*

**APPLICANT:** Harris County Engineering Department

**KEY MAP:** 287,327

**JURISDICTION:** Harris County

**LAMBERT:** 4669

**DISTRICT/PRECINCT:**  
Harris County Pct.: 4

### **PROPOSAL:**

Harris County is requesting the realignment of Major Thoroughfare Barker Cypress Road, between Grant Road and FM 2920, on the Major Thoroughfare and Freeway Plan (MTFP).

### **APPLICANT'S JUSTIFICATION and HISTORY:**

The applicant states that this area is projected to see significant growth with the proposed extension of the Grand Parkway. This segment of the Grand Parkway is anticipated to be completed in December 2015. Development activity in the vicinity of the Grand Parkway is accelerating, justifying a review of the entire corridor. Overpass construction now underway at the Grand Parkway creates an approximate 900-foot discrepancy with the current proposed alignment of Barker Cypress Road. Further to the north, the current proposed alignment bisects approximately 21 properties, which could severely impact the future use of the properties, as opposed to the new proposed alignment, which would only bisect approximately four properties south of the Grand Parkway.

The new proposed alignment generally follows existing Cedar Lane. Cedar Lane has a 60-foot right-of-way (ROW) with an existing 24-foot pavement. The applicant suggests that realignment would provide an alignment consistent with the proposed overpass at the Grand Parkway, reduce the number of impacted properties, and lessen the amount of additional ROW needed for the corridor. The feasibility and practicality of constructing the roadway as a Major Thoroughfare are improved by following a county-maintained road. The proposed alignment provides further equal spacing from Barker Cypress Road to the parallel Telge road and Cypress Rose Hill Road alignments.

The applicant contends that if they do not pursue this amendment, more properties and land will be impacted by requiring additional land for ROW dedications instead of utilizing existing Cedar Lane. The proposed realignment would impact approximately 45 properties; however, the impacts would be minimal and would mostly require a 20-foot ROW dedication along each side of Cedar Lane.

The applicant states that the current alignment bisects an existing detention pond, which would be impractical. There is no planned crossing of the Grand Parkway where the current alignment is shown. Therefore, the current alignment would dead-end on both sides of the Grand Parkway. Mobility would be improved by the proposed amendment, utilizing the proposed overpass at the Grand Parkway, and the circulation of north-south traffic would be maintained. The new alignment at the northern end of the corridor would eliminate the double s-curve for Cedar Lane and the single s-curve at Cedar Lane at proposed Holderrieth Road. This would provide for a more efficient roadway.

# PRELIMINARY REPORT

Harris County's Dyess Park lies south of the Grand Parkway along the south side of Willow Creek. The park site is currently bisected by the mapped Barker Cypress Road alignment. The applicant suggests that a revised route will reduce the size of the western portion of the park site isolated from the developed park areas.

This corridor lies between Telge Road and Cypress-Rosehill Road. Utilizing the underpass would relieve congestion and traffic on both roads to the east and west. Before 1966, Barker Cypress Road was not shown on the Major Thoroughfare and Freeway Plan. In 1966, Barker Cypress Road was first depicted on the map as a Major Thoroughfare, terminating at the Grand Parkway slightly north of Boudreaux Road, while Telge Road and Cypress Rosehill Road were shown on the map extending northward into Montgomery County. In 1972, Barker Cypress Road extended northward from Boudreaux Road, terminating at the Grand Parkway further north than in 1966. In 1982, the Major Thoroughfare and Freeway Plan was amended to extend Barker-Cypress Road north to FM 2920.
